

BFH SERIES FILTER BAG HOUSING

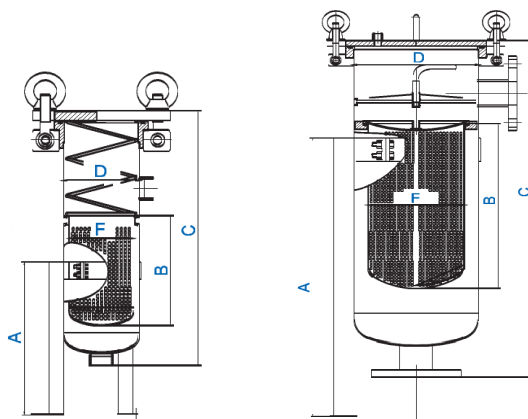

Industrial Filtration Housing Solutions

BFH is the best choice for industrial, commercial & OEM applications that do not require a code stamp. The standard design is available with threaded or flanged connection.

The model of housing effectively removes dirt, pipe scale, and other contaminants from process liquids. Quality construction and design assure clean effluent and protection for all downstream equipment.

Features Include

- ✚ Adjustable Support Legs
- ✚ Material: SUS 304, SUS316L.
- ✚ Max. Design Working Pressure: 150 PSI.
- ✚ Polished or Sandblast External Surface.
- ✚ Flat Top with hinge joint & handle.
